Chapter 2

THERE IS A SOLUTION

WE, OF ALCOHOLICS ANONYMOUS, know thousands of men and women who were once just as hopeless as Bill. Nearly all have recovered. They have solved the drink problem.

We are average Americans. All sections of this country and many of its occupations are represented, as well as many political, economic, social, and religious backgrounds. We are people who normally would not mix. But there exists among us a fellowship, a friendliness, and an understanding which is indescribably wonderful. We are like the passengers of a great liner the moment after rescue from shipwreck when camaraderie, joyousness and democracy pervade the vessel from steerage to Captain's table. Unlike the ship's passengers, however, our joy does not subside as we go on.
